

Dear Dr. Nick and
The Elves of Mashpee Orthodontics,

29 Months Ago,
I came upon your Staff
You promised to give me a Smile
And plenty of reasons to Laugh!

You Tightened, Shifted and
Pulled on my Teeth,
I Cried, I Cringed,
And Shook my
Feet!

Days, Weeks,
And months passed By,
Some days I Hurt,
I am not going to Lie.

I wouldn't change a Thing,
For it was worth the Bling
To see the Results
Of my brand new Grin!

It takes a talented Group
to see it all Through,

A GREAT BIG MERRY CHRISTMAS
TO ALL OF YOU!!!!

~Mo Hall~
